

Who is smarter?? Girls or boys?

A man was out golfing one day when he hit the ball into the woods. He went into the woods to look for it and found a frog in a trap. The frog told him, "If you release me from this trap, I will grant you three wishes." The man freed the frog, and the frog said, "Thank you, but I failed to mention that there was a condition to your wishes. Whatever you wish for, your wife will get it ten times!" The man said, "That's okay." For his first wish, he wanted to be the most handsome man in the world. The frog warned him, "You do realize that this wish will also make your wife the most beautiful woman in the world, an whom men will flock to". The man replied, "That's okay, because I will be the most handsome man and she will have eyes only for me."

So, KAZAM-he's the most handsome man in the world! For his second wish, he wanted to be the richest man in the world. The frog said, "That will make your wife the richest woman in the world. And she will be ten times richer than you." The man said, "That's okay, because what's mine is hers and what's hers is mine."

So, KAZAM-he's the richest man in the world!

The frog then inquired about his third wish, and he answered, "I'd like a mild heart attack!"
