PO # 9201

director
Dennis Morosin

Well the new year is upon us which means last years excuses are used up. The board met up at Pavla's in Switzerland this month. We sat down with a full year calendar in front of us and did the best we could for RVLC on planning. The calendar we have tentatively produced and will be presented at the February meeting where the members can then vote on it so we can set it in Stone. I am highly pushing for all those concerned to attend so we do not have the confusion and changes in this year schedule.

I also want to stress the issue on membership help on these events. I really need more members to volunteer to help out this year. Do not get me wrong I highly appreciate the help I get at the functions and very rarely does anyone say no if I ask them to help me out at the function. I would just like to see more of the "pre-party" help that we need. I think Brenda is about ready to kill me. There is an awful lot of planning and following up on different things to help execute a good party. I would like to see what is on the calendar turn out to be as good as the toy run was last year or better. I think we can do it.

I can not stress it enough and I know you have heard me say it again and again. Please do not think this is my chapter because I am the director. I am only here to help execute what you the members would like to see for the year. I have to have you at a few meetings thru the year to know this is what we want to do. I know and have no problems with the fact not everyone can make every meeting. We move around a bit to accommodate everyone. Please try to make our big events and at least a few of the meetings thru the year.

Don't forget those who would like to take there sweeties to dinner after the meeting we would like a RSVP to a board member so we can make reservations. Thanks Hope to see as many as possible at the February meeting so we can make this a very active 2008 RVLC is here kind of year.

Hello all this year brings in a lot of things to do and plan. Our calendars are still pretty empty so hopefully you guys can pencil in the RVLC calendar in February. We did not have a membership meeting so there is not a financial report. The quarterly and yearly reports have been sent in to Wiesbaden. We have new members that will be added and deposited in February. Eddie at New Care Sales in Vogelweh/Kaiserlautern has signed up five or so new members for us. Speaking of Membership HP has been on the phone and such updating the membership list. We are around seventy five active members. There are always those who have overlapped by six months or so. Now that riding season is a little slow I am not expecting to see them. I would say when riding season states I will hear from those again. That is pretty much all I have for this month short and sweet, hope to see ya all in February.

Jason Moore

Is on the way back from Iraq. We are looking forward to his exiting input.

assistant director
Petra Naylor

Sorry no input.

Hi folks, this year will be good...-☺ We had a big New Year's Eve party at our place. We spent the first few hours partying and laughing together with very good friends. I didn't have to drive miles for the board meeting. My relations ship is great. And I have a new car. The first time in my live an US car! Dodge Caliber, his name is Noldi. My brother said: He fits to your bike....-☺ So let start the riding season for the total happiness! The RVLC have lot of to talk about for the 2008 on the February meeting, come and let us know what ideas you have for the chapter. See you on the February meeting
Pavla
